News You Can Use

Curcumin Products

We forgot to mention in our recent eflash two wonderful Nature's Sunshine products that contain Tumeric/Curcumin.

Super ORAC **combines eight powerful ingredients known to quench free radicals**—decaffeinated green tea leaves, mangosteen pericarp extract, turmeric root, quercetin, resveratrol, apple extract, açai (acai) berry extract and selenium.

IF Relief contains a combination of herbal extracts that may support the body's natural process for muscle pain and inflammation relief following exercise and massage. **IF Relief contains compounds that may help the body achieve homeostasis.** This formula has a very high ORAC value.

IF Relief contains turmeric root extract along with mangosteen pericarp extract—a source of potent antioxidants called xanthones. The xanthone gammamangostin appears to partially modulate the production of prostaglandins.

Please let us know if you have any questions and Happy Holidays!

Yours in Good Health!

Sincerely,

Dr. Jack and Chris Ritchason
