

7-Keto™ (30 Caps)

Stock Number: 2922

Benefits:

- Stimulates thyroid production.
- Supports weight management goals.
- Supports the immune system.

How It Works:

7-Keto is a safe, natural metabolite of dehydroepiandrosterone (DHEA). Supplementing with 7-Keto may increase the production of T3, a thyroid hormone. The thyroid hormones play a role in determining the body's basal metabolic rate. 7-Keto also supports the body's immune system efforts by enhancing the function of white blood cells. It can also help the body's efforts to maintain overall health. It is important to note that, unlike other metabolites of DHEA, 7-Keto is not converted to sex hormones (either androgens or estrogens).

Ingredients:

7-Keto and chickweed leaf extract.

7-Keto is a trademark of Humanetics Corp., Patent no. 5,296,481.

Recommended Use:

Take 1 capsule daily with a meal.

CAUTION: Those with hyperthyroidism should consult their health care professional prior to use of 7-Keto capsules.

WEIGHT MANAGEMENT

Weight Management and Immune System Support*

7-Keto is a safe, natural metabolite of DHEA that does not convert into the sex steroids testosterone or estrogen. 7-Keto may lower the body's weight setpoint which makes it easier to maintain a desired weight. 7-Keto also boosts the production of antibodies and cytokines, which contributes to improved immune function.*

RECOMMENDATION: Take one capsule daily with a meal.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

7-KETO is a trademark of Humanetics Corporation. Patent No. 5,296,481 and 5,292,730.

Caution: Those with hyperthyroidism should consult their health care professional prior to using 7-Keto capsules.
