

Anti-Gas TCM Concentrate (30 Caps)

Stock Number: 1018

Benefits:

- Helps detoxify the body.
- Supports the digestive, intestinal and urinary systems.

How It Works:

Chinese Anti-Gas TCM Concentrate is a highly concentrated blend of 15 herbs. It supports both the digestive and detoxifying functions of the body, including the urinary system. This formula is considered “earth reducing” in Chinese herbology. Its Chinese name xiao dao can be translated as “clear the congestion.” Under Chinese philosophy, this formula is designed to move energy (chi) to the head and support the natural elimination of excess moisture and toxins.

Its primary herbs include agastache tops, crataegus fruit, hoelen and gastrodia. **Agastache** is traditionally used to strengthen the stomach and to increase energy. In Chinese culture, it is said to drive out moisture. **Crataegus fruit** helps metabolic clearing in the body. Studies show that crataegus fruit is also beneficial to the heart. **Hoelen** is a fungus that grows on pine tree roots. It has diuretic properties; Chinese herbalists use it to “drain dampness.” In Japanese Kampo medicine, the fungus is used to promote urination. **Gastrodia** is a traditional Chinese herb that is useful in modulating “exuberant yang” of the liver and calming internal wind.

Ingredients:

Concentrated extract of agastache tops, crataegus fruit, hoelen sclerotium, magnolia bark, oryza fruit, shen-chu whole plant, citrus peel, gastrodia rhizome, ginseng root, typhonium rhizome, atractylodes rhizome, cardamon fruit, platycodon root, ginger rhizome and licorice root.

Recommended Use:

Take 1 capsule with a meal daily.

NOTE: Pregnant or lactating women should consult with a health care provider prior to taking this supplement.

Product Variations:

- Anti-Gas Chinese (100 Caps)
- Anti-Gas Form. w/Lobelia (100 Caps)
