

# Bowel Detox (120 Caps)

Stock Number: 3020

## Benefits:

- Bowel Detox is a blend of Activated Charcoal, Bentonite Clay, enzymes, and botanicals
- Intestinal system support
- Promotes regular elimination of waste from the colon
- Formulated to help cleanse the colon

## How It Works:

Bowel Detox promotes healthy, regular elimination of waste from the colon. It provides digestive enzymes to aid digestion in the upper gastrointestinal tract along with ingredients to provide needed bulk and to encourage proper flow of waste through the colon. Bowel Detox contains pancreatin, a combination of pancreatic juices that aids in the digestion of a variety of foodstuffs. Additionally, pepsin aids in the digestion of dietary proteins. Bile salts are included to improve the digestion of fats. Psyllium, algin and apple pectin are excellent sources of soluble fiber, which creates an increase in intestinal bulk, easing the movement of digested food through the intestines. Cascara sagrada helps to keep things moving by stimulating the movement of the intestines and increasing the content of water in the bowel. The end result is that toxins spend less time in the bowel, thereby reducing the time that they can affect intestinal cells or be absorbed into the body. Bowel Detox also contains bentonite, charcoal and chlorophyll. As these ingredients bind to harmful chemicals and toxins in the body, they prevent the absorption of them, protecting the whole body, not just the bowels.

## Ingredients:

900 IU vitamin A as beta-carotene (18% of Daily Value), 30 mg vitamin C (50% DV), 6 IU vitamin E (20% DV), 3 mg zinc (20% DV), 15 mcg selenium (21% DV), betaine HCl, bile salts, pancreatin, pepsin, psyllium hulls, algin, cascara sagrada bark, ginger rhizome, apple pectin, parthenium root, charcoal, marshmallow root extract, sodium copper chlorophyllin and bentonite clay.

## Recommended Use:

Take 2 capsules with your morning meal and 3 capsules with your evening meal daily with a glass of water. **NOTE:** This product contains cascara sagrada. See your health care provider prior to use if you are pregnant or nursing, any medical condition exists or when taking any medication. Read and follow recommendation carefully. Do not use if diarrhea, loose stools or abdominal pain are present or develop. Not intended for prolonged use. Use of this product may worsen these conditions and be harmful to your health. Chronic diarrhea can result in serious illness. May cause allergic reaction in persons sensitive to inhaled or ingested psyllium.
