

CLA (75 Softgel Caps)

Stock Number: 3010

Benefits:

- Sustains lean muscle mass.
- Enhances the burning of fat.
- Maintains blood glucose levels that are already in the normal range.
- Helps maintain cholesterol levels that are already in the normal range.
- Provides 750 mg CLA per softgel capsule.

How It Works:

Conjugated Linoleic Acid, is a natural fatty acid that is important to the body. CLA has several unique structural and functional properties. It modulates cellular processes, including the maintenance of muscle mass and lipolysis. CLA has also been shown to be effective for maintaining normal cholesterol levels and supporting the immune system. It can help modify body composition by sustaining lean muscle tissue and enhancing lipolysis (the burning of fat), resulting in a number of health and weight benefits. CLA is a patented ingredient for fat reduction.

Ingredients:

Conjugated linoleic acid and safflower oil.

Recommended Use:

Take 1 softgel with a meal three times daily.
