

Dieter's Cleanse (14 day)

Stock Number: 3220

Benefits:

- Promotes natural, healthy elimination.
- Supports normal glandular function.
- Supports the liver and digestive system.
- May help maximize the nutritional benefit from the food you eat.

How It Works:

Proper cleansing of the digestive tract allows for better elimination of waste and improved absorption of nutrients from the food you eat. Dieter's Cleanse is a safe, simple, convenient cleansing program. Product elements provide dietary fiber, support the production of digestive enzymes and bile, nourish the liver and glandular system, promote detoxification and support the body's weight-management mechanisms. Kick off your weight-loss program by using Dieter's Cleanse for one week.

Ingredients:

Each box of Dieter's Cleanse contains 14 AM packets, 14 NOON packets and 14 PM packets. The following NSP products are elements of Dieter's Cleanse: Bowel Detox (2 capsules in AM and NOON packets), Master Gland (2 capsules in AM and NOON packets), Enviro-Detox (1 capsule in AM and NOON packets), Liver Cleanse Formula (1 capsule in AM and NOON packets), LBS II (3 capsules in PM packet), SF (2 capsules in PM packet) and Chromium (1 capsule in PM packet).

Recommended Use:

Take 1 AM packet with breakfast. Take 1 NOON packet with lunch. Take 1 PM packet with dinner. Then begin your weight-management program. The second-week supply of Dieter's Cleanse can be used during recommended rest periods of other NSP weight-loss programs. This product may also be used by any adult desiring a two-week cleanse. This product could produce bowel movements during the night or in the morning.

NOTE: This product contains cascara sagrada, buckthorn and Turkey rhubarb. See your health care provider prior to use if: pregnant or nursing, any medical condition exists, or when taking any medication. Read and follow recommendation carefully. Not intended for prolonged use. Do not use if diarrhea, loose stools or abdominal pain are present or develop. Use of this product may worsen these conditions and be harmful to your health. Chronic diarrhea can result in serious illness.
