

Kidney Activator TCM Concentrate (30 Caps)

Stock Number: 1040

Benefits:

- Promotes kidney function.
- May help clear retained water.
- Supports the urinary tract.
- May support joint health.

How It Works:

This formula contains the same herbs found in Chinese Kidney Activator but in a highly concentrated blend. Kidney Activator is called qu shi, which can be translated as “to get rid of dampness.” Morus root bark is thought to help eliminate excess moisture. Hoelen was used historically by the Chinese to “drain dampness.” Alisma is said to help promote the flow of moisture and is used in traditional Chinese medicine to support the bladder and urinary tract. According to Chinese concepts, astragalus may help to clear retained water from the body.

Ingredients:

Concentrated extract of hoelen sclerotium, siler root, chaenomeles fruit, morus root bark, astragalus root, alisma rhizome, plantago seed, peony root without bark, atractylodes rhizome, magnolia bark, polyporus sclerotium, citrus peel, cinnamon twig, ginger rhizome, typhonium rhizome and licorice root.

Recommended Use:

Take 1 capsule with a meal daily. **NOTE:** Pregnant or lactating women should consult their health care provider prior to taking this supplement.

Product Variations:

- Kidney Activator (100 Caps)
- Kidney Activator ATC Conc. (50 Caps)
- Kidney Activator Chinese (100 Caps)
