

# VS-C® TCM Concentrate (30 Caps)

Stock Number: 949

## Benefits:

- Supports the immune system.
- Fights off biological stressors.
- Nourishes the liver.
- Supports detoxification.
- Promotes a healthy respiratory tract.

## How It Works:

Exclusive to Nature's Sunshine, this immune supporting formula is a combination that Chinese herbalists would describe as "metal enhancing." These herbs create a favorable environment for microbial balance and overall health.

**Dandelion root** has nutritive properties for the liver, kidneys, stomach and blood. **Purslane tops** were eaten by American pioneers and in the Orient in the belief that they nourish the liver and blood. **Indigo leaves** and root were traditionally used to support detoxification processes. **Bupleurum root** is a Chinese bitter herb that nourishes the liver and promotes perspiration. **Typhonium rhizome** supports the respiratory system. **Scute root** has been used to support the gallbladder and spleen. **Cinnamon twig** benefits the intestinal tract. **Licorice root** adds harmony and nourishes the adrenal glands. **Ginseng root** is a well-known adaptogen, promoted as a general body builder. This formula contains the same herbs found in VS-C but in a highly concentrated blend.

## Ingredients:

Concentrated extract of dandelion whole plant, purslane top, indigo leaves and root, thlaspi whole plant, bupleurum root, scute root, typhonium rhizome, cinnamon twig, licorice root and ginseng root.

## Recommended Use:

Take 1 capsule with a meal daily.

**NOTE:** Pregnant or lactating women should consult their health care provider prior to taking this supplement.

## Product Variations:

- VS-C® (100 Caps)
- VS-C® Liquid (2 fl. oz.)
