

IN.FORM Pea Protein Vanilla-No Sugar Added

Stock Number: 21569

Benefits:

- Provides 20 grams of vegan pea protein, a source of 18 amino acids per serving.
- Provides 2 grams of phytosterols per serving to support cardiovascular health.
- Free from common allergens: dairy, lactose and gluten.
- Helps promote muscle recovery after physical exercise and enhances the buildup of lean muscle mass.
- Promotes healthy body composition when combined with exercise and a healthy diet.
- Makes an ideal, high-protein, low-carb snack or meal replacement with no sugar added.

How It Works:

The IN.FORM Metabolic Age Support No Sugar Added Pea Protein Shake blends heart-healthy phytosterols with high-quality, vegan pea protein isolate in a unique formula that is free from common allergens. Each serving delivers 20 grams of protein, 2 grams of phytosterols plus essential vitamins and minerals. The IN.FORM Metabolic Age Support Shake is the convenient, tasty and satisfying cornerstone of the patent-pending, clinically studied IN.FORM system that utilizes the power of the gut microbiome to support cardiometabolic health and a healthy metabolic age.

Ingredients:

Ingredients: Pea protein isolate, natural flavors, phytosterols, soluble vegetable fiber, sunflower oil, erythritol, short-chain fructooligosaccharides, flax seed, potassium citrate, medium chain triglycerides, xanthan gum, pea fiber, rice protein, bamboo fiber, sea salt, ascorbic acid, rice bran, sodium citrate, potassium chloride, steviol glycosides, proteolytic enzyme blend, carrot powder, cranberry powder, broccoli powder, borage oil, grape seed extract, luo han guo extract, sodium selenate, black bean powder, blueberry powder, niacinamide, zinc oxide, ergocalciferol (vitamin D2),

chicory inulin, manganese sulfate, d-calcium pantothenate, vitamin A palmitate, copper gluconate, biotin, potassium iodide, adzuki bean, pyridoxine hydrochloride (vitamin B6), folic acid, thiamine hydrochloride (vitamin B1), riboflavin (vitamin B2), sodium molybdate, pomegranate powder, cyanocobalamin (vitamin B12), grape skin extract, garbanzo bean powder, beta-glucans, chromium chloride.

Recommended Use:

Mix 2 level scoops (51g) with approximately 9 ounces of cold water, or mix to taste. To experience the full benefits and dramatic success the IN.FORM program has to offer, use as part of the complete IN.FORM Metabolic Age Support product line.
